

# CORE 5 Training

## Achievement in Career Engagement

Part of the ACE platform includes the CORE 5 Training over the span of 5 dates. This is recommended for High Schools new to ACE. Your HS should include a team of 5 educators to come and participate each day.

Sign up for each date at the link below

<https://sessions.ace.kedc.org/index>

Recommended participants are district administrators, school administrators, career counselors, guidance counselors, and teachers. Any combination of participants may attend all 5 or individual dates, but you should have 5 at each event. At least two to three participants from the team of 5 should attend all dates. Core 5 Training will provide participants with guidance and support on how to implement ACE.

### CORE Training #2

Training #2 will consist of the following topics:

- Develop recruitment plan for students (engaging students with ACE)
- Become familiar with responsibilities and role of careers with teachers and/or counselors
